We are going to start off by looking the rock band called ALIEN ANT FARM. They are most famously known for their cover of Michael Jackson's great song SMOOTH CRIMINAL.

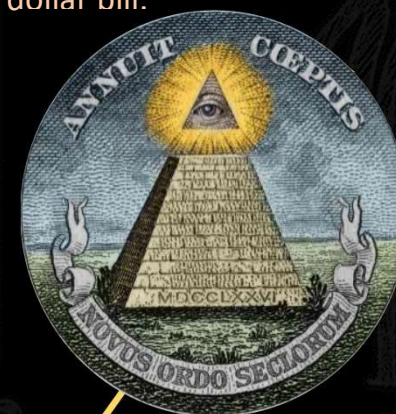

ALIEN ANT FARM sums to 40 in the Chaldean cipher, which matches the words ALL SEEING EYE and the element ZIRCONIUM on the Periodic Table. The artwork provided by the Royal Society of Chemistry displays a gold/green coloured SCARAB beetle, insect.

The logo for the band features the same unfinished pyramid shape, as seen on the back of the American one dollar bill.

The Egyptian scarab beetle is a symbol of death, rebirth and protection in the afterlife.

Further examination of the logo we can see an INSECT at the top of the unfinished pyramid. The INSECT features a DARK side and a LIGHT side, symbolizing DUALITY. The letters AAF are prominently displayed underneath, this can be translated as 116 (A=1, F=6), its inverse (upside-down) becomes 119, matching ALL SEEING EYE in the English Ordinal cipher.

The insect is placed above the letters AAF, and the letters are under its mandibles, suggesting that they are about to be consumed by the insect. The letters AAF sum to 10 in the Chaldean cipher, matching the same sum total for MAN. Further, when we mirror the logo, we see that the letters AAF turn into the number 766. This number in the Bible is defined as LICENTIOUSNESS, WANTONNESS. Licentious freedom, is freedom from GOD. The guitarist is wearing a LOS DIABLOS red t-shirt through most of the video, matching the Satanic theme.

Mélusine (French: [melyzin]) or **Melusina** is a figure of European folklore, a female spirit of fresh water in a holy well or river. She is usually depicted as a woman who is a serpent or fish from the waist down (much like a lamia or a mermaid). She is also sometimes illustrated with wings, two tails, or both. Her legends are especially connected with the northern and western areas of France, Luxembourg, and the Low Countries.

The Limburg-Luxemburg dynasty (which ruled the Holy Roman Empire from 1308 to 1437 as well as Bohemia and Hungary), the House of Anjou and their descendants the House of Plantagenet (kings of England), and the French House of Lusignan (kings of Cyprus from 1205–1472, and for shorter periods over Cilician Armenia and Jerusalem) are said in folk tales and medieval literature to be descended from Melusine. The story combines several major legendary themes, such as the water nymph or mermaid, the earth being (terroir), the genius loci or guardian spirit of a location, the succubus who comes from the diabolical world to unite carnally with a man, or the banshee or harbinger of death.

Melusine's secret discovered, from *Le Roman de Mélusine* by Jean d'Arras, ca 1450–1500. Bibliothèque nationale de France.

VIRTUAL VATICAN TOUR

https://www.vatican.va/various/basiliche/san_pietro/vr_tour/index-en.html

Before we move on, I want to add some context, I want to show the hidden imagery in one of the world's largest religious alters.

The image (left) is from inside St-Peter's Basilica in Vatican City, Rome. The headquarters of the Holy Roman Empire.

An INSECT like figure can be seen by drawing in the lines, and within the mandibles of the INSECT, we see a LIGHT, a STAR, being consumed, eaten.

Under the star is the SHEEP head, which I've shown before, in my "Secret Invasion" decode.

Isaiah 29:15

Woe unto them that seek deep to hide their counsel from the LORD, and their works are in the dark, and they say, **Who seeth us?** and **who knoweth us?**

Isaiah 29:16

Surely your **turning of things upside down** shall be esteemed as the potter's clay; for shall the work say of him that made it, He made me not? or shall the thing framed say of him that framed it, He had no understanding?

UPSIDE DOWN
"WICKED"

In ISAIAH 29 (15-16), we learn the value of turning things UPSIDE-DOWN. This allows us to get the whole picture of what we are looking at. This also allows us see if images are hiding in the inverse. This skill is invaluable in numerology where we examine the mirror value of every number, to consider its duality, its twin.

Above, we see the DUALITY and TWIN symbolism represented by the SHEEP, a symbol associated with Jesus (see John 10), and the GOAT, a symbol and concept associated with Satanism through the idea of turning the Lord God's SHEEP into lawless GOATS.

Looking at the founding date of the company, we see that it was founded on March 30th, the SIX OF CLUBS day. This card translates to the 28th card of the TAROT deck, matching LUCIFER and the female goddess MELUSINA on their logo.

Here we see the STARBUCKS logo. When we turn the logo UPSIDE-DOWN we see a STAR sitting at the bottom of the logo, facing down. Similarly to star on the CHURCH OF SATAN's logo (*please see my decode on this topic*). The image on the right is the flipped logo, traced lines filled in with color.

Now we see an INSECT like figure consuming the STAR within its mandibles. The same symbolism seen in one of the world's largest religious alters and the ALIEN ANT FARM logo.
